

How to Recover your Username and Password

Please follow these directions to access the member portal for membership and club information.

1. Enter www.dfgc.club in the search bar.
2. Click on the black box - Member Login
3. Click on Forgot Username and Password.
4. Enter your First Name and Email address. They must **match your member record**. Your name is on your club membership card/access card. No nicknames or abbreviations.
Your email must be the one you submitted and in the database.
5. Look for an email from Danvers Fish and Game for your Password Reset. Be sure to check SPAM.
